A Bit of Magazine History

"Your editor has a notion...." This is how Mary Margaret Kern Garrard, Alpha Chi/Purdue, who was editor of *The Kappa Alpha Theta Magazine* from 1958 to 1973, habitually opened her Over the Desktop columns. I discovered this while doing some research in our back issues, and it struck me as rather a nice opening, lending itself as it does to all sorts of possibilities. So—trusting that imitation is, indeed, the sincerest form of flattery—I will borrow it for this issue.

Your editor has a notion that some of you will be interested to learn that the Over the Desktop feature is almost half a century old. It first appeared in the Autumn 1954 issue, when Mary Ellen Myers Parr, Beta/Indiana, became editor. Parr's photo appeared at the top of the page, by the request of higher authorities and despite her own protestation that "... printing a picture of oneself is in rather poor taste."

Since Parr's time, six successive editors have found this space an indispensable niche for interesting items that don't really fit anywhere else, for occasionally dispensing personal opinion, and for explaining some of the thoughts and themes behind each issue. At an interfraternity conference several years ago, the editor from another Greek group expressed amazement that I am allowed an entire two- to three-column span in every issue simply to express myself. She's right: it is a remarkable privilege, and I want each of you to know that I am honored and grateful.

Since I became editor, 32 issues ago, this is only the second issue that has not included a profile of an accomplished Theta. Helping to create the profile articles is one of my favorite jobs as editor, and many of you have let me know that the profiles are also one of your favorite features of *The Magazine*. For that reason—and because there are so many distinguished Thetas in the world that it seems a shame to have to pass up an opportunity to recognize one—I apologize for the absence of a profile in this issue. After allocating enough pages to properly introduce Theta's new educational leadership consultants and to adequately cover Grand Convention

2002, we simply ran out of room. Having too much "good stuff" to publish is an enviable position, however, and I'll bet there are a lot of editors out there who would be thrilled to be in a similar situation.

Speaking of Grand Convention, in one of her columns, Mary Margaret Garrard wrote that in order to fully appreciate a Theta Convention, a person must experience one. I think she's right: even photos, which supposedly paint a thousand words, can't convey the exhilaration, exhaustion, and excitement of Grand Convention 2002. Beginning on page 12, though, we give it a try, with a combination of narratives and photographs.

In this issue, we also recognize the current crop of Foundation scholarship winners, including the four outstanding junior-class members who earned Founders Memorial Scholarships. And we print reports on the activities and accomplishments of 16 of our college chapters, submitted by their editors. Autumn, with its back-to-school hustle and bustle, is a busy season in the Greek world, and it seems especially appropriate to focus in this issue on college scholarship and activities.

Some of you may have noticed the addition of a quotation to the In Memoriam page. Your art director suggested this, and your editor embraced the opportunity to pore over books and websites of quotations in search of suitable passages. We "introduced" the quotation in the Summer 2002 issue and felt quite proud of our creativity. Imagine our surprise to discover that in years past, a line of verse or prose **always** adorned the In Memoriam page in *The Magazine*! But we've recovered from the blow to our self-esteem now and are pleased to revive a Theta magazine tradition.

THETA'S IDENTITY

I've been off the Theta magazine subscription list for years and just started seeing the publication again this spring. I was startled to realize just how homogenous Theta has remained. In the most recent issue, for example, a single African-American girl stands out among a sea of hundreds of white faces. I assume *The Magazine* reflects the characteristics of our chapters, and this is a sad statement. Legacies are always important, but part of the undesirable legacy of Greek societies is a lack of diversity and unwillingness to open our doors to women from all cultural backgrounds. In this new millennium, it is time for a fresh look at who we are and who we want to be.

MICHAELLE BRADFIELD SCANLON
BI/COLORADO
VIA E-MAIL

Katie Busby Morrow, Fraternity vice-president membership, writes: The Fraternity encourages every chapter to recruit qualified women of all racial and ethnic backgrounds. Because every chapter and every campus differs, we hope to see each chapter reflect the population of its campus.

There have also been some exciting developments in the Greek community over the last 20 years. Asian and Latino/a fraternities have been organizing and expanding with success all over the country. The historically black sororities are also attracting more women of color. While I believe that Theta can meet the needs of any college woman, we know that member-

ship is a mutual selection process.

Let me assure you that we are working to bring the best women into our sisterhood and that we recognize the importance of diversity in the chapters to keep that sisterhood strong.

Editor's note: Photographs published in The Magazine are representative of the submissions we receive, not necessarily of the membership of our chapters. We would be thrilled to receive more photo submissions.

SPECIAL BIRTHDAY

Elizabeth Palmer Thompson, BA/William & Mary, quietly celebrated her 100th birthday with her daughter (me) and my husband on June 26. And, as if a centennial birthday weren't enough, she was also honored by Camp Fire Boys and Girls as the oldest living Camp Fire Girl in the United States. My mother received a beautiful flower arrangement and a shower of birthday cards from the Waco Alumnae Chapter and was also featured on Willard Scott's birthday segment of *The Today Show*.

THETA'S NEW ALCOHOL-AWARENESS PROGRAM

AlcoholEdu, the nation's first online alcohol prevention program, is coming to Kappa Alpha Theta college chapters this fall. This interactive program is a new approach to health education, one that combines proven teaching and assessment techniques with the latest Internet media techniques. As the cornerstone of a comprehensive alcohol prevention program, AlcoholEdu represents an effective aid in preventing the negative consequences of high-risk drinking.

Recent research by the Harvard School of Public Health has shown that binge drinking by college-age women increased by 125 percent since 1993, while binge-drinking rates among men remained fairly steady over the same period. Other studies have shown that young men and women in the first months of their first year of college are at higher risk of experiencing problems with alcohol than nearly any other demographic group.

In "A Call to Action: Changing the Culture of Drinking at US Colleges," the National Institute on Alcohol Abuse and Alcoholism (NIAAA) notes the staggering toll alcohol takes. The survey cites 1,400 alcohol-related deaths, 500,000 alcohol-related injuries, 70,000 alcohol-related sexual assaults, 2.1 million incidences of drunk driving, and 159,000 first-year student dropouts due to alcohol and drugs every year.

AlcoholEdu teaches the latest facts about alcohol use and abuse from social and biomedical research in an easy-to-understand format that engages students. The course content provides students with practical information that they can use to make their own well-informed decisions about alcohol and cope with the drinking behavior of peers and friends.

The content for AlcoholEdu was developed by Dr. Scott Swartzweider and Dr. Aaron White of Duke University Medical Center, in consultation with leading health educators and pharmacologists in the field of alcohol abuse.

This fall, juniors, sophomores, and freshmen at all Theta college chapters

will take the course. The program will be monitored by the college chapter's vice-president education, and each chapter is required to have their members finish the course within three months after the first day of classes. It takes two to three hours for each member to complete the course, and the students may log in and out at any time. Individual results remain confidential, but chapter data will be available to assist with developing further chapter educational programming and assistance.

Chapters completing the course within two months will be "Super Stars," and the name of both the chapter and the chapter's vice-president education will be listed in a future issue of *The Kappa Alpha Theta Magazine*.

AlcoholEdu is made possible by a grant from The Kappa Alpha Theta Foundation. More information about AlcoholEdu may be found at www.outsidetheclassroom.com and on the Kappa Alpha Theta website.

GAMMA UPSILON AT MIAMI CELEBRATES 50 YEARS

by Laurie McGregor Connor, Γ^A /Ohio Wesleyan

After many months of planning, the Gamma Upsilon Chapter welcomed alumnae and friends back to the Oxford, Ohio, campus during Homecoming 2001. A lovely afternoon tea was held in McCracken Hall near the chapter suite. Most exciting of all was the presence of a charter member of Gamma Upsilon, Doris Kaiser Mayans, who shared her memories of the chapter's beginnings. Scrapbooks and other memorabilia displayed in the suite offered additional opportunities for reminiscing.

alumnae relations officer, and other chapter members worked hard planning and raising money for the anniversary celebration. Fund-raising efforts included the sale of commemorative picture frames and kite pins as well as a car wash. In honor of the occasion, the Dayton Alumnae Chapter presented Gamma Upsilon with new robes.

Annuity

When you first pledged Kappa Alpha Theta and when you first heard the phrase "Theta for a lifetime," you probably could not even imagine planning for your retirement.

What does Theta have to do with retirement planning? A lot, if you consider the benefits of a deferred payment gift annuity with the Kappa Alpha Theta Foundation.

Here's how it works. You decide how much you want to contribute. You can place as much in your annuity as you want (as long as it's at least \$5,000); you can write a check or transfer stock. The Foundation agrees to pay you a mutually agreed-upon rate, beginning at an agreed-upon date, for the rest of your life.

For example, you're 40 years old and obtain a \$5,000 charitable gift annuity with the Foundation. You indicate that you want your annuity payments to start arriving when you reach age 65. (You can defer the payments as long as you want. The longer you wait, the larger your payments.) When you reach age 65, you'll start receiving regular payments for as long as you live – even if you live to be 110 years old.

Another benefit to a charitable gift annuity is that you may be eligible for an income-tax deduction on a portion of your contribution. Of course, you will want to check with your tax professional regarding your individual circumstances.

If you're satisfied with your retirement, but you're worried about supplementing the fixed retirement income of your parents, for example, you can also establish a gift annuity for others.

Either way, the payments will be fixed

and backed 100 percent by the Foundation's own assets. There is no need to worry about fluctuating payments or a major decline in the stock market. You can depend on your payments year in, year out.

Based on your particular circumstances, part of the payments you receive from your annuity will be tax-free. If you have a larger estate, your gift annuity could result in a substantial savings in estate taxes.

One final benefit: personal satisfaction. When you plan for your retirement by giving through a deferred gift, you provide future resources to support future Thetas and their educational goals. While you're enjoying retirement, you'll have the satisfaction of knowing that Theta will eventually benefit from your wise and generous planning, and your gift will also have leadership value as your name is added to the Betty Baur Lambert Society.

ELIZABETH "LEE" WADKINS VLIET, M.D., BA/WILLIAM & MARY, gave a presentation on Capitol Hill last May to a standing-room-only crowd that included Congressional staff, executive-branch staff, and insurance and pharmaceutical company representatives. Dr. Vliet's message is that the medical community in this country is misguided when it comes to women's health because it has a weak grasp of the proper use of hormone therapy. Dr. Vliet is the author of two books on such matters - with a third on the way - and operates women's health clinics in Texas and Arizona. Visit her website at www.herplace.com.

DR. RHONDA SEWELL KEHLBECK, EE/BAYLOR, recently published *I Can Do That With My Kid!*, a book for parents who want to motivate in their children learning and growth in language and communication. Kehlbeck, an educator and mother, offers activities that even the busiest parent can handle, regardless of their own educational level. Those interested in more information may visit Kehlbeck's website: www.allmyheartpress.com.

Grand Convention 2002

Orlando, June 18 - 22

Although tropical rainstorms were more evident than blue skies and dazzling sunshine in Orlando, the magic of Theta sisterhood shone brightly at Grand Convention 2002. More than 500 Thetas from across the continent gathered to honor our accomplishments, determine our future, and celebrate our history.

For four days and five nights, Convention participants attended business sessions, like-officer discussions, and educational presentations. They also found time to have some fun: a scheduled "free" afternoon and evening provided an opportunity to visit some of Orlando's many tourist attractions. Following are some high-

lights from Kappa Alpha Theta's 65th Grand Convention.

Legislative Sessions

Grand Convention is the general legislative body of the Fraternity. Convention delegates, comprising college and alumnae chapter presidents; college and alumnae district presidents; members of Grand Council, including the Foundation president; and the National Panhellenic Conference delegate, considered and voted on more than 25 amendments to the Kappa Alpha Theta Constitution and Bylaws.

One piece of legislation will be immediately evident to readers of *The Magazine*: members of Grand Council, the archivist, the parliamentarian, and the historian will now be noted by inserting the word "Fraternity" in front of the individual officer's title. This will eliminate any potential confusion between certain Fraternity officer titles and certain college chapter officer titles.

Much of the legislation considered by the Convention body concerned a

restructuring of Theta's alumnae program. Passage of amendments to the Constitution and the Bylaws eliminated clubs as a separate alumnae group category. All clubs with ten or more dues-paying members are now eligible to become alumnae chapters; once established, the groups must maintain a membership of at least five members. Each alumnae chapter will collect a per-capita \$15 fee from each dues-paying member and forward these monies to the Fraternity. The per-capita dues will be used to cover the Convention costs of alumnae delegates, the cost of the alumnae program, and a portion of the Fraternity's operational expenses. Alumnae who are not members of an alumnae chapter are encouraged to voluntarily send their per-capita dues to the Fraternity. More information about the changes in the alumnae program will be printed in future issues of *The Magazine*.

Other legislation concerned the timing of the election of college chapter officers, affiliation of college chapter members, and the use of the Fraternity

name and insignia for commercial and publicity purposes. *An electronic, searchable version of the 2002 Constitution and the Bylaws is available in the Manuals section of the Thetas Online area at www.kappaalphatheta.org.*

The KAΘ Foundation

The Silent Auction, featuring unique items donated by alumnae and college chapters and by individual Thetas, was a popular destination for Convention-goers. The Auction raised more than \$12,000 for the Foundation.

College chapters, alumnae groups, and individuals also generously donated more than 220 backpacks, which were presented to the Osceola County Chapter of CASA.

The Foundation Celebration Luncheon featured keynote speaker Juliet Funt, who urged Thetas to celebrate their character and values and to make these the basis of their contributions to the world. Also at the Luncheon, Foundation President Anne Budill, AX/Purdue announced the establishment of a new scholarship to be awarded to an outstanding alumna or collegian volunteer. The name of the scholarship and the specific criteria will be announced at a later date, and

proceeds from the Silent Auction will provide the initial funding.

Panhellenic Luncheon

Representatives from the other National Panhellenic Conference groups joined Thetas at the Panhellenic Luncheon to celebrate 100 years of Panhellenic friendship. Corre Stegall, past president of Kappa Delta Sorority, delivered an inspiring and entertaining speech on the responsibilities of Greek women to live the values and purposes of our fraternities.

Fun Night

Thetas kicked off their sensible business shoes and kicked back for Fun Night, an evening of skits and songs. The event's theme was Cheeseburger in Paradise, and many of the skits revolved around tropical motifs. Although the buffet dinner featured cheeseburgers, the mashed-potato bar and the ice-cream sundae bar were very popular among the participants.

Awards Banquet

The first Convention award was given in 1917, when Grand President Hope Davis Mecklin, AE/Brown, awarded the Efficiency Cup to the Lambda Chapter at Vermont. At the 2002 Awards Banquet, awards in more than 60 categories were presented to

Theta's college chapters and alumnae groups. In fact, more than 100 trophies and almost 150 certificates were presented. *For a complete list of award winners, please turn to page 15.*

Procession and Convention Banquet

To conclude Convention, each participant lined up behind the current president of her chapter of initiation, who carried the chapter flag. Beginning with Alpha and ending with Eta Kappa, hundreds walked silently between rows of other Thetas to be finally seated in the elegantly decorated banquet room.

A Convention Banquet tradition was continued as Florence Ashby, BN/Florida State, was recognized as the Theta who has attended the most Conventions: 19. Fraternity President Mary Jane Beach, BN/Florida State, installed the new Grand Council and honored retiring Council members Linda Pieplow, ΓM/Maryland; Jane Dick, EM/Princeton; and Ann Varey, ΓZ/Connecticut. □

Grand Council 2002-04

One of the most important duties of the delegates to Grand Convention is electing a new Grand Council. The following women will serve as the governing board of the Fraternity for the next biennium.

PRESIDENT **MARY JANE PARKER BEACH**, BN/Florida State, begins her second term at the head of the Fraternity. One of her duties as president is to also serve as a trustee of the Kappa Alpha Theta Foundation. Prior to her first term as president, she served on Grand Council as vice-president finance; before her Council service, she was a finance regional director and a college district president. Beach has also served on the advisory boards of the Beta Nu Chapter at Florida State and the Beta Omicron Chapter at Iowa and has been president of the Jacksonville Alumnae Chapter; she is currently a member of the Iowa City alumnae group.

Currently assistant vice-president for finance and university services and director of business services at the University of Iowa, Beach is also a member of the Noon Rotary Club and of the University of Iowa Foundation's President's club and is active in her church.

FRATERNITY VICE-PRESIDENT COLLEGE KATHLEEN MARKEY, X/Syracuse, is new to this position. She is an attorney with previous risk management and conflict resolution experience. Markey has served as a facility corporation district director and is on the board of the Denver Alumnae Chapter.

Now retired, she continues to provide pro bono legal services to domestic violence victims. She serves on the Board of Project Safeguard, a Colorado legal-advocacy organization for domestic-violence victims, and as president of the Safeguard Foundation.

Beginning her first term as **FRATERNITY VICE-PRESIDENT ALUMNAE** is **DEBBIE BORNMAN ALLEN**, ΔΘ/Florida. She previously served as a trustee of the Foundation; as VPA, she will continue in this role. Allen has also served as a college district president and director of college chapter finance for the Fraternity. Additionally, she has been president of the Miami Alumnae Chapter and the Volusia County Alumnae Club and served on the advisory and facility

Allen is the Outreach Division director for the Volusia County Department of Elections. Her community involvement includes the board of the Museum of Arts and Sciences, the Junior League, PACE Center for Girls, and Leadership Council.

FRATERNITY VICE-PRESIDENT EXTENSION KAREN ALBRECHT LEDBETTER, ΓT/Tulsa, is newly elected to this position. She was previously Fraternity vice-president finance and facilities and also served several terms as alumnae district president. She is active in the Houston Northwest Alumnae Chapter, having served as the group's president, and has participated in numerous initiation ceremonies at Texas, Texas A&M, and Baylor.

Ledbetter recently retired from her position as a manufacturer's representative; she was also formerly the owner of an interior design firm. She served as the first woman president of the Houston Rotary and is a founding member of her church.

VICE-PRESIDENT EDUCATION KATHY

WYNN SALVEMINI, ΓM/Maryland, continues in this office for the biennium. She began her Grand Council service in 1999; her previous Fraternity experience includes service as a college district president and college regional director; she has also served as a recruitment consultant and been on the advisory board for the Gamma Mu Chapter at Maryland and the Beta Rho Chapter at Duke. She is a member of the Washington, DC/Suburban Maryland Alumnae Chapter.

Salvemini is a pediatric physical therapist in the Prince George's County Schools. She is currently chairman of the NPC Drug Education Consortium, as well as the Consortium's finance subcommittee. In her community, she is very active in her church and the Knights of Columbus.

LYN STEWART SIMENSEN, ΓT/Rollins, is new to the position of **FRATERNITY VICE-PRESIDENT FINANCE AND FACILITIES**. She has previously served as alumnae district president, alumnae regional director, and—most recently—director of alumnae support on the Extension Committee. She is a member of the Philadelphia Alumnae Chapter, and is a past president of the group, and has also been a member of the facility corporation board at the Beta Eta Chapter at Pennsylvania.

Simensen is a Stephen Minister and is active in her church. She is an independent campaign coordinator of church capital campaigns and is a member of the Delaware Valley Chapter of National Association of Church Business Administrators.

Chapter Reports

Ψ/Wisconsin

This spring, members of the Psi Chapter participated in Humorology, a presentation of skits organized by students at the University of Wisconsin. The goal of the show, which is one of the largest student-run philanthropies in the US, was to raise \$50,000 to provide one scholarship for a child to Camp Heartland (a camp for children affected by the AIDS virus) and one college scholarship to a child of a firefighter lost on September 11.

Each skit incorporated the theme, "Against All Odds," into song and dance numbers. Paired with Alpha Epsilon Pi and Sigma Phi, we rewrote popular songs to fit the theme. Our skit won the Best Use of Theme award, and chapter member Jessica Bloodgood won the Best Actress Award.

Dimes. After September 11, we held a car wash to benefit the Red Cross, and we took children from the Boys and Girls Club of Middle Tennessee to a football game.

Within the chapter, we have formed "core groups" to build friendships between new member classes. Each core group gets together for one dinner or other event each month and takes an active role in chapter education. A house retreat and the "Theta Olympics" are other ways we promote chapter unity.

With all our involvement and effort, we are sure we have made a mark on the Vanderbilt campus and the surrounding community.

- Carey Jacobs

AO/Oklahoma

Starting with the District Leadership Conference in Dallas, the Thetas of the Alpha Omicron Chapter have certainly flown their kites high. At the 2002 DLC, we received the award for having the highest scholarship ranking on our campus.

In April, at the University of Oklahoma's Panhellenic Association Awards, we received numerous honors, including eight programming awards in areas such as alum-

nae relations, community service and volunteerism, and campus involvement. Many Thetas also received individual awards. Katie Eidson was honored as outstanding Panhellenic woman, JoAnna Brieschke was a top-ten Greek, and three of the four Panhellenic scholars were Thetas. Our two most exciting awards were the highest chapter scholarship award and the 2002 chapter excellence award.

As if that weren't enough to be proud of, our chapter was also presented with the University of Oklahoma's 2002 President's Trophy. This is a highly respected award on our campus, awarded each year to a sorority exhibiting excellence in campus involvement, community service, cultural programming, and scholarship.

We are proud of all of our accomplishments, but most importantly, we are proud to represent Kappa Alpha Theta and for our sisterhood to shine as brightly as twin stars.

- Erin Kramer

BE/Oregon State

The Beta Epsilon Chapter at Oregon State University had an amazing year filled with many proud moments.

One of our proudest achievements was raising \$500 for CASA through Footbrawl, our new signature event. Footbrawl was a flag football tournament held this spring, and—although the day was overcast and rainy—attendance and spirits were high. Members of Beta Epsilon served as coaches and cheerleaders for their teams as they advanced through the single-elimination tournament.

Through winter and fall terms, we practiced long hours to participate in IFC Sing, an annual event during Mom's Weekend at OSU, in which sororities and fraternities perform musicals in front of thousands of friends and family members. Paired with

Officers Kelli Cashiola, Laura Schmidt, Marianne Gray, Kelly Johnson, Heather Sibley, Reba Dillingham, and Melissa McBride represented the Alpha Omicron Chapter at District VI DLC.

Paired with Alpha Epsilon Pi and Sigma Phi, members of the Psi Chapter were finalists in a student-run variety show.

AH/Vanderbilt

During the past school year, the Alpha Eta Chapter has been a leader on both the Vanderbilt campus and in the surrounding community.

In November, we sponsored a barbecue to raise money for CASA. In the spring, we organized a bowling tournament to benefit CASA and a picnic to benefit the March of

Sigma Chi, we performed a few songs from the Broadway production *Crazy for You* and were honored to receive an award.

In addition to our achievements as a chapter, we are also very proud of each and every one of our members' individual pursuits. This year, Beta Epsilon members were involved in diverse activities on and off campus. Some members were on OSU's elite dance team, others traveled abroad to study, and more were involved in Panhellenic council, student government, student media, and the college of liberal arts ambassador program. We look forward to 2002 fall recruitment to gain even more new members to add to the unique dynamic of Beta Epsilon!

BA/William & Mary

The sisters of Beta Lambda had another fun and successful year and were active all over campus. Thetas could be seen tutoring in the local schools, volunteering at Colonial CASA, cheering at sporting events, participating in other Greek philanthropies, and excelling in the classroom. Beta Lambda began a successful new spring philanthropic event, which received rave reviews. The chapter was also recognized by the William & Mary Greek community this spring for our outstanding member education program and was awarded most outstanding sorority on campus.

- Tracey Hiller

BΦ/Penn State

The Beta Phi Chapter of Kappa Alpha Theta had quite a memorable year. The fall semester started off when Thetas from all parts of the country returned for another great year with friends. We had much to look forward to as recruitment season was upon us. On September 16, we welcomed 20 amazing new additions to our sisterhood who, in typical Theta tradition, are beautiful, intelligent, funny and genuine.

Greeksing, with the men of Delta Upsilon, was a weeklong event; we joined the brothers of Sigma Alpha Mu to create a homecoming float; and we held a date function, Kappapoolooza, with the women of Kappa Delta and Kappa Kappa Gamma.

After winter break, we were thrilled to learn that our GPA of 3.37 earned us the fourth place ranking among 22 sororities.

The Panhellenic/IFC Dance Marathon quickly approached, and Thetas, together

with the brothers of Delta Sigma, were ready. We couldn't wait to step foot on the dance floor to support the cause.

Theta Bowl made more money than ever for CASA, and we will be looking for an even better turnout next year. At the Greek Oscars, we proudly took home the awards for best chapter of the year and the Silver Award.

The year ended with tears and sad faces as Thetas all packed their suitcases for home, but we all can't wait for a great year this fall.

- Di Wang

ΓΔ/Georgia

Being a freshman at the University of Georgia and a newly initiated member of the Gamma Delta Chapter, I was excited about the many opportunities to be involved in Theta activities throughout the year.

First semester, we passed out information packets about CASA and encouraged friends to patronize local eateries that contributed part of one day's earnings to our CASA fund. We also earned second place in a Bulldog basketball game attendance race and received a check to give to CASA.

We were also active in other campus and community projects. We sponsored an annual alumnae Easter egg hunt at our facility and passed out paper Easter eggs at a local nursing home. Later in the year, we spent time outside a local grocery store, selling lemonade and fruit to benefit national causes for battered and abused children. And we received first place in the spirit competition during Greek Week.

Although my first year seemed to flash by, these experiences made it memorable and worthwhile. We are excited about the next year and the opportunities that it is sure to bring.

Gamma Nu Chapter when they participated in the MS (multiple sclerosis) Walk in Fargo this spring. April, a member of the chapter who graduated in May, was diagnosed with MS when she was only 14.

Theta team captain Sara Tanke explained that their team was the largest of the more than 65 teams registered for the walk. In addition to participating, members of the Gamma Nu Chapter and the Fargo/Moorhead Alumnae Chapter donated \$250 to purchase a mile marker placed along the walk route. "Theta has always participated in the MS Walk. However, this year we wanted to show our friend how much she means to us," Sara said.

Gamma Rho sophomores posed during recruitment at UC Santa Barbara.

GP/UC Santa Barbara

The 2001-2002 school year has been a great one for us, as we worked very hard during the fall, winter, and spring recruitment periods and were extremely proud to welcome our amazing new members into our Theta family. Also, we have upheld our academic reputation as one of the best and brightest of the nineteen sororities here at UCSB by receiving the highest house GPA in the fall quarter, and the second-highest house GPA in the winter quarter.

In addition to these accomplishments, we once again dedicated a helping hand to our community by hosting a blood drive with Phi Gamma Delta. It was a huge success, and the much-needed blood was donated to the Red Cross to be used in hospitals across California. We also hosted our first Greek kickball tournament and donated the entrance fees to our local CASA group.

Due to our commitment to CASA, our chapter was invited to a candlelight vigil, where we were awarded a plaque in recognition of our CASA support. This special event was held on the steps of the Santa

Barbara County Courthouse as part of the "Light of Hope" fund-raising campaign for CASA.

Some of our favorite social events included our crush party, our theme parties, and our annual Krystal Kite formal. Our favorite sisterhood events included bid-day celebrations, an all-house retreat, and our big sis/li'l sis week. For more information about the women of Kappa Alpha Theta, visit our website at www.ucsbtheta.com.

ΔZ/Emory

The Delta Zeta Chapter had a phenomenal spring semester, beginning with a superb recruitment in January. With Fraternity President Mary Jane Parker Beach present, we welcomed 48 new members into our chapter. This semester marked many "firsts" for Delta Zeta, including an all-chapter retreat in Alabama, complete with silly icebreakers and *True Colors*, learned at District Leadership Conference. We also hosted the first-ever post-initiation alumnae dessert reception at one of our adviser's homes.

Our main philanthropy projects included holding our traditional "Breakfast at Your CASA" fund-raiser (Thetas deliver breakfasts to campus residences), volunteering for Project Open Hand (a food-delivery service for AIDS patients), and hosting craft parties for the children at Egelston's Hospital. This semester also marked the beginning of a new volunteer relationship with the Georgia Network to End Sexual Assault (GNESA). Additionally, we helped plan and staff the Easter egg hunt at the Callenwolde Fine Arts Center, which treats over 200 children and their parents to crafts and festivities each year.

Fraternity president Mary Jane Parker Beach, BN/Florida State, joined the Delta Zeta Chapter at Emory for their bid day celebration and posed for a photograph with Linsay Warren, chapter president.

In April, we held our annual senior week, concluding with our traditional senior brunch at Zoo Atlanta. This semester culminated with Spring Formal at the historic Biltmore Hotel in downtown Atlanta.

Delta Zeta had an exciting, full semester enhanced by the love and support of our dedicated advisory board. We are looking forward to an even more amazing year in 2002-03.

EE/Baylor

The Epsilon Epsilon Chapter was proud to earn first place in the homecoming float competition and second place in the all-university sing this year.

We teamed up with members of Beta Theta Pi to produce the university's award-winning homecoming parade float. Other campus organizations design and construct the hundreds of floats featured in the parade.

Baylor's all-university sing is the nation's largest amateur production. Groups work within a budget and with a limited number of outside sources to produce a song-and-dance act with a theme. Theta's act, entitled "The Greasy Spoon," entertained judges and audiences with lively choreography (including a roller-skating number) and vibrant costumes. Theta's second-place finish allows us to perform in the Pigskin 2003 showcase during homecoming weekend this autumn.

EZ/Mississippi

This year was an eventful one for the Epsilon Zeta Chapter at Ole Miss. Fall recruitment brought us 72 awesome new members; we teamed up with Sigma Chi for homecoming activities and won first place overall; we had an exciting big sis/little sis week.

With our two annual fund-raisers, we raised money for CASA. Theta Encore involves other sororities' new members classes competing in a dance competition. At our charity softball tournament, we raised more than \$600. We also contributed to our campus community by participating in fund-raisers organized by other Greek groups, and many of our members worked with Habitat for Humanity and the North Mississippi Regional Center.

Individual members were honored in a variety of ways this year. Haley Phelps and Erin Reiter were initiated into Order of Omega, and Haley also became a member of Mortar Board. Mary Ann Garriga and Anna Powers received the Taylor Medal,

and Alli Parrott was initiated into Phi Beta Kappa. Our members have also made their presence felt on campus in various other activities, including Ole Miss Ambassadors, the recruitment counselors program, Diamond Girls, and Rebel Recruiters.

The 2001-02 year was a busy and exciting time for the Epsilon Zeta Chapter, and we are looking forward to 2002-03.

EN/Virginia Tech

Over the past year, the sisters of Epsilon Nu chapter have been very busy. We have participated in many activities promoting sisterhood, philanthropy and Greek life. Our fall and spring philanthropy events, Theta Shakedown and Greek Olympics, respectively, were both extremely successful this year. We also participated in many other fraternities' and sororities' philanthropy events across campus.

Our hard work during recruitment brought us five wonderful new sisters in the fall of 2001 and 15 in the spring of 2002. The fall new members won the highest new member scholarship award for Virginia Tech sororities.

Sadly, we graduated over 30 faithful sisters this May, and we wish them the best of luck. We also wish one of our advisors, Mrs. Hope Miller, the best of luck in her new home in Idaho. Our seniors and Mrs. Miller will be sorely missed. We appreciate their hard work on our chapter's behalf over the years. The present members are anticipating the upcoming 2002-2003 year's events.

EP/Bucknell

This school year has been a strong one for the Epsilon Pi Chapter. It began with a successful recruitment period, at the end of which we successfully reached quota for the first time in many years. We had several other successes throughout the year. At the Greek Awards Ceremony, we were awarded the Lois Heenahan Award for Scholarship, after being ranked as the sorority with the highest GPA average (Theta had an average of 3.4.), and the most improved sorority award.

This year, we also focused a great deal on community service. Each sister was encouraged to volunteer to for 7.5 hours of service per semester, and at the end of the second semester there was an average of ten hours per person. In the fall, we held our annual philanthropy event—a pancake brunch—during Parent's Weekend. Proceeds from the pancake brunch go to CASA. This year, we realized a \$2,500 prof-

it. In the spring semester, we held a carnation sale for Valentine's Day and donated \$600 to CASA.

We were awarded \$1,000 for being the most spirited sorority at Bucknell's Midnight Mania, which introduces the basketball season, and we won the Delta Gamma Anchor Splash, their annual philanthropy event, for the sixth year in a row.

EO/Washington & Jefferson

As usual, the Epsilon Omega Chapter at Washington & Jefferson College was busy this past year. Not only did we carry on with traditional activities, but we also instituted some new ones. In April, we had two teams participate in Greek Week: Theta/Phi Psi and Theta/Fiji. The Theta/Phi Psi team took third place overall, and the Theta/Fiji team won second place overall. In addition, we participated in a few of our favorite charity events, including Bowl-for-Kids-Sake and March of Dimes Walk-a-Thon, and staffed a water stop at the Pittsburgh Marathon.

This year we sponsored a number of non-alcoholic events, which were all well-received. The first of these events was a corn roast picnic, to which each sister invited a date. We also held a pig roast with the brothers of Alpha Tau Omega, a Love Thy Neighbor party with the brothers of Delta Tau Delta, and had milk and cookies with the brothers of Phi Delta Theta.

One of Epsilon Omega's greatest accomplishments this year was achieving highest sorority GPA for the seventh consecutive semester. For spring semester 2002, we ranked above all other Greek organizations in scholarship

ZI/Washington & Lee

Zeta Iota has a wonderful 2001-02 school year, with members excelling in all areas of campus life. Thetas were star athletes on the field hockey, soccer, volleyball, swimming, riding, lacrosse, tennis, and water polo teams. We also held many leadership positions in student groups. And the ever-studious Thetas were initiated into Phi Beta Kappa, Phi Eta Sigma, and Order of Omega.

Being social butterflies as well, our calendars were packed with fun this year. But we also didn't forget philanthropy. We had a successful 5K run and pancake breakfast for CASA and a Valentine's Day rose sale benefiting the American Heart Association.

Recruitment 2002 was one of the highlights of the year: our new members are sure to carry on our fine Theta traditions. □

In January, Zeta Iota celebrated Theta Appreciation Week and dedicated one day to honoring facility director Marnie Stewart.

Ready to go!

2002-03 ELCs

The ELCs began their training at Grand Convention 2002. But who says work can't be fun?

Their bags are packed, and they're on the road, ready to visit each of Theta's college chapters in the US and Canada. "They" are the twelve educational leadership consultants (ELCs) for the 2002-03 school year. Except for holiday breaks, they will travel from August to April, traversing tens of thousands of miles, traveling on hundreds of airplanes, sleeping in dorm rooms, eating in school cafeterias, and living out of suitcases.

been a Relay for Life team member and is a graduate of the Harrisonburg-Rockingham Chapter of Commerce Leadership Program.

FOUNDATION PRESIDENT ANNE SADLER BUDILL, AX/Purdue, serves as an ex officio member of Grand Council without a vote. She has served as a Foundation trustee since 1998; her Fraternity experience includes serving as an alumnae district president and member-at-large of Grand Council in the 1980s. Budill has also been presi-

dent of the Houston and Milwaukee Alumnae Chapters.

Currently director of development and public relations for the Fort Bend County Women's Center, Budill is also involved in her community through United Way and Junior League. What are you doing after graduation?

Join the 2003-2004 educational leadership consultant team. It's a once-in-a-lifetime opportunity to visit college chapters across the continent, serving as an ambassador of the Fraternity.

"My time as an ELC was an amazing experience. Not only was I able to travel the country, form lasting freindships, and gain skills that will enhance my professional career, but I was also given the chance to give back to the fraternity that means so much to me."

Theta has a job for you!

In what other job could you:

Celebrate Presidents Day in Boston

Eat ice cream at the original Ben & Jerry's

Meet Canadian Mounties

Build a snowman in North Dakota

Eat original crab cakes in Maryland

Visit the Dr. Pepper museum

Visit most major airports in the US & Canada (over and over again!)

Meet Theta sisters from Florida and Alberta and everywhere in between

ELCs are enthusiastic, well-informed young women; they develop educational programs, lead workshops, teach problem-solving techniques, motivate members, and offer assistance and support to our 123 college chapters. They serve the Fraternity in a very visible way, acting as role models, mentors, and guides.

To ensure that new consultants are comfortable in their role, a three-week educational session is held each summer at Fraternity headquarters in Indianapolis. ELCs receive training in every aspect of Theta's programming, policies, and procedures—as well as in effective communication, motivation techniques, and business etiquette—from previous consultants, Grand Council members, Fraternity officers, and other professionals.

Do you have what it takes to be an ELC? If you are a graduating senior and are interested in serving the Fraternity as an educational leadership consultant, you may download the application from the Educational Opportunities area of www.kappaalphatheta.org or call Fraternity headquarters, **800-526-1870**. Applications and supporting information must be received no later than January 30, 2003, for service beginning in June.
